

MISSION & HISTORY

NDANO's mission is to educate, advocate and connect to strengthen nonprofits.

NDANO was founded in 1997 by state nonprofit leaders who recognized the need to strengthen nonprofit organizations in North Dakota and their ability to serve the needs of individuals and communities.

NDANO is the statewide membership association for the North Dakota nonprofit sector. Our members work in all mission areas, from human services and the environment to education and the arts, and represent all sizes, from small volunteer-run nonprofits to multi-million-dollar organizations, in all corners of the state.
